Dear Dr Fonseca

**Chesterfield Hockey Club
England Hockey Scheme - Policy No. 9137208/HXHOC000119**

Firstly, please accept our sincere apologies for the delay in issuing the full annual documentation to you in respect of the above, and any inconvenience this may have caused.

We thank you for your kind instructions, and now have pleasure in enclosing your schedule of cover for the current period of insurance for your safekeeping. A full copy of the Hiscox sports, recreation and leisure policy wordings are available on the Perkins Slade website www.perkins-slade.com/eh-wording. If you are unable to access the website or would prefer a hard copy we will provide a copy of the document on request.

You must display a copy of the Employers' Liability Certificate where your employees can easily read it. Since 01 October 2008 you have been allowed to display your certificate electronically, provided your employees know how and where to find the certificate and have reasonable access to it.

Please check the details carefully, and advise us immediately if there are any errors.

Declaration

Cover has been offered and the enclosed documents have been issued on the basis that other than those details already disclosed by you, there are no known incidents or circumstances that might give rise to a claim and there are no material facts that should be disclosed to Insurers.

You:

- have been advised of the requirement to disclose all material facts and claims incidents,
- have received details of Perkins Slade's regulatory status,
- have been advised of our complaints procedures should you require to use these
- have seen a copy of Perkins Slade Terms of Business, either by means of accessing the Perkins Slade website or in hard copy and appreciate that the insurance is subject to these Terms of Business.

You must contact Perkins Slade immediately if the above is not a true declaration, as this policy may not protect you in the event of a claim and cover may be voided.

If you have any queries regarding this or any other insurance matter, please do not hesitate to contact us.

Once again, thank you for placing your insurance with Perkins Slade, and may we take this opportunity of wishing you a successful year ahead.

Yours sincerely

Carla Ibrams

CLAIMS ADVICE

Should you have need to make a claim under the policy, please contact Perkins Slade claims department immediately on 0121 698 8000. We will advise you of the necessary course of action. You are required to report ANY incident that may give rise to an insurance claim, particularly in cases involving personal injury, please refer to the following incident Notification & Recording Guidelines.

INCIDENT NOTIFICATION GUIDELINES

Strict timescales are now in place to direct the handling of claims, and if these are not adhered to it may mean insurers will be obliged to admit liability and pay the claim.

Therefore it is important that:

- An investigation of every incident should be carried out whilst those involved, including witnesses, still have a clear idea of the circumstances, and a written report should be produced
- Every incident, particularly those involving personal injury, but also those involving allegations of abuse, should be reported to us immediately it happens and we will advise you what to do next. Please ensure procedures are in place for all documentation to reach us as quickly as possible

In order to achieve this, we ask that you notify Perkins Slade immediately of any incident that involves:

<ul style="list-style-type: none">• A fatal accident• An injury involving either referral to or actual hospital treatment• Any allegations of libel/slander	<ul style="list-style-type: none">• Any allegations of professional negligence ie arising out of tuition, coaching or advice given• Any investigation under any child protection legislation• Any circumstance involving damage to third party property
---	---

An injury is defined as:

- Any head injury that requires medical treatment (doctor or hospital)
- Any fracture other than to fingers, thumbs or toes
- Any amputation, dislocation of the shoulder, hip, knee or spine
- Loss of sight (whether temporary or permanent)
- Any injury resulting from electrical shock or burn, leading to unconsciousness or requiring resuscitation or admittance to hospital for more than 24 hours
- Any other injury leading to hypothermia, heat induced illness or to unconsciousness which requires resuscitation or admittance to hospital for more than 24 hours
- Loss of consciousness caused by asphyxia or by exposure to a harmful substance or biological agent

Please note the above list is not exhaustive and if you are unsure as to whether an incident should be reported, then please do not hesitate to contact Perkins Slade Claims Department for further advice.

We would remind you that in NO circumstances should you admit liability or agree to pay for any damage caused as this may prejudice the position of Insurers and COULD result in the withdrawal of any indemnity.

Finally, please note that this is a Liability Policy where Insurers decide if negligence attaches to you. Therefore any payments you make to any third parties will not necessarily be reimbursed.

INCIDENT RECORDING GUIDELINES

We would recommend that a designated person within your organisation is made responsible to record any reportable accident/incident. Records must be kept for at least 6 years, and longer where it involves a person under the age of 18 years. Names and addresses of any possible witnesses should also be recorded.

Since 31 December 2003 businesses must have an accident book which is compliant with data protection legislation. The book is available from HSE Books.

The register must contain the following information relating to all reportable accidents or dangerous occurrences:

- Date and time of accident
- As regards a person at work - full name; occupation; nature of injury; age
- As regards a person not at work - full name; status (eg. customer); nature of injury; age
- Place where accident occurred
- A brief description of the circumstances
- Method by which the event was reported

REPORTING INCIDENT TO HEALTH & SAFETY EXECUTIVE

You may also have obligations under the RIDDOR regulations to report incidents to the HSE. For further information log onto the HSE website www.hse.gov.uk/riddor
