## Fee Structure for 2010-2011

Dear Parent / Guardian,

We charge £2 per session but it is cheaper if you pay in advance.

Our 2 terms are:

Our AUTUMN/WINTER TERM – sessions 17:45 to 19:00  
starts on Wednesday the 8th September 2010 and  
ends on Wednesday the 1st December  
(no session on half term Wednesday the 27th October).  
**Cost £10 for this term or £2 per session.**

Our SPRING TERM – sessions 17:45 to 19:00  
starts on Wednesday 12th January 2010 and  
ends on Wednesday the 23rd of March  
(no session on half term Wednesday the 23rd February).  
**Cost £10 for this term or £2 per session.**

Friendly matches take place on a regular basis (once a month) between October and March and are played at home (St. Mary's) or grounds in Derbyshire/Nottinghamshire. Matches start around 10.30 am and last an hour. Details of the games are included in this hand out and are also on our website [www.chesterfieldhockeyclub.co.uk](http://www.chesterfieldhockeyclub.co.uk). A match fee of only £1 will be charged for this and players are encouraged to purchase their own team shirts(green). We play in black shorts and white socks. Shin pads and gum shields necessary. Depending on coaches' availability we are now also training on most Sundays from 10.15 am to 12 noon.

While there is a competitive element to these games winning is not the "be all and end all". We aim to give anyone interested a chance to play. All we ask is for you to attend a few Sunday practice sessions to help them gain match experience.

Many thanks

Dr. Mark Fonseca
